ANCIENT GRAINS

EINKORN & EMMER

Bread has been the staple food of mankind for thousands and thousands of years. Nowadays, each culture can choose from an infinite variety of unique flavours and mouth-watering recipes. However, no matter where they are from, all breads in the world share a common history, a common starting point – true ancient grains - Emmer, Einkorn and Spelt. The names of ancient grains may sound unfamiliar to most of us although they had nourished our ancestors for centuries and also played a vital part in the history of baking.

- Contains true ancient grains, Einkorn and Emmer

*The Elle & Vire Professionnel[®]
Excellence Whipping Cream brings
stability and creamy texture.*

In this recipe, its neutrality of flavour allows
the infusion of the roasted coffee beans
and the orange zest to come through
and work with the dish beautifully.
